Monthly Public Health Resources Newsletter

Note from Library

With support from the Corporate Communications team, the Library is transitioning Library Links to MLHU's new email marketing platform, Brevo.

We strongly encourage everyone to sign up to ensure you continue receiving issues of our newsletter: [Library Links Subscription Sign-Up](#)

Beginning with the July issue, **all newsletters will be delivered exclusively through the new system**, offering enhanced delivery and subscription management. For assistance with signing up or questions, please reach out to the [Library](#).

In this issue

This month's resources were curated in recognition of Pride Month (June). A significant number of resources in this issue address critical health equity issues affecting 2SLGBTQ+ populations. If you're interested in learning about health promotion topics in June, visit the Government of Canada [calendar of health promotion days](#).
